

Las Ventanas

Las Ventanas site was chosen for its tranquility and close access to Playa Junquillal. It covers 1.7 acres of which approximately 50% of which is dedicated for diverse tropical landscape. The development incorporates tropical designs with earthy colors. Playa Junquillal is the unknown secret area with paved roads to within 5 kilometers of Las Ventanas. It is roughly the same travel time from Liberia as is Tamarindo and Flamingo. Las Ventanas provides a Pura Vida lifestyle with onsite property management, 24 hour security and a vacation rental service.

Activities in the area include surfing, snorkeling, golf, horseback riding as well as a walk on the beach.
